ABOUT THE CANADIAN SECURITIES LENDING ASSOCIATION

CASLA works with Canadian regulators, self-regulatory organizations and other market participants to ensure the long-term viability of the Canadian securities lending industry and the adoption of best practices.

CASLA seeks to enhance the public's understanding of securities lending and the role it plays in Canada's financial markets.

OUR GOALS

- Enhance the public's understanding of securities lending and the role it plays in Canada
- Develop strong linkages with similar global trade associations
- Provide a forum to share and exchange ideas, information as well as best practices across the industry
- Work with regulators and other industry associations to ensure an efficient and secure marketplace
- Advocate for the interests of our members, be an agent of change for technological regression, deliver benefits and create a 'best-in-class' operating environment

BENEFITS OF SPONSORING AT CASLA 2024

- Enhance brand awareness among the Canadian Securities Finance landscape
- Demonstrate thought leadership in the Securities Finance sector
- International reach through global presence
- Create new relationships and connect with new counterparties
- Grow your business
